SUMMARY

I'm a tech wizard who specializes in Frontend Development, Computer Science, and WhatsApp Automation. With a Bachelor's degree in Computer Science and a passion for creating seamless user experiences, I bring a unique blend of skills to the table. I'm also an expert in WhatsApp automation, with a wealth of knowledge about WhatsApp's APIs and capabilities. I love finding creative and user-friendly solutions that help businesses succeed. Whether you need a website built from scratch or a WhatsApp bot set up, I'm your guy!
